

## OPERATION SPEARHEAD

Henderson VFW POST 9851 has initiated Operation Spearhead, a program which will involve the VFW, local community leaders and businesses in the Hendersonville Area to recognize and support all of the men and women from Hendersonville who are serving on active duty in the Armed Forces of the United States of America.

Our initial goal is to identify who these individual are. We are requesting the City of Hendersonville Mayor and Board of Alderman, local churches, the Star News, Henderson Chamber of Commerce, local and Civic Organizations, and most important, the private citizen Hendersonville who has a relative now serving someplace in the world to provide following:

The motto of the VFW is "Honoring the dead by Serving the Living". With so many of our service men and women who volunteered to serve in time of war, Operation Spearhead will stress "Serving the Living".

A special "Active Duty Roster" will be prominently displayed in the VFW Post displaying the names and locations of all active duty personnel from Hendersonville. In addition, we will look for local sponsorship from the local businesses.
